

## Mutiny Below

Ludo

Here I am, at home again, this rainy avenue  
put me in my proper place, I'm not the one for you  
but you're here now, can you come in?

It's freezing...

I'd found a way to blur your face and smear the words you said  
You made me feel alive again, I wish we'd never met  
but you're here now, can you come in?  
I'm freezing...

I finally let go and learned to live without you,  
after all those weeks alone, but now you're back for more.  
I'm tryin' to fight it off but there's a mutiny below.

There were nights when I was sure your love was all I had (so b  
ad)  
Pining at the door you left through, God it hurt so bad,  
but you're here now, you're making eyes  
I'm breaking...

I finally let go  
but there's a mutiny below.

"Just one more night..." you ask so tenderly - a softer side  
I'd longed so long to see.  
(so long...)

You slip inside, we'll work it out  
tomorrow....

I finally let go (I can't live without you)  
I'm tryin' to fight it off but there's a mutiny  
from everything left but my soul.  
I can't hang on - let me go.
