

Mutiny Below

Ludo

Here I am, at home again, this rainy avenue
put me in my proper place, I'm not the one for you
but you're here now, can you come in?

It's freezing...

I'd found a way to blur your face and smear the words you said
You made me feel alive again, I wish we'd never met
but you're here now, can you come in?
I'm freezing...

I finally let go and learned to live without you,
after all those weeks alone, but now you're back for more.
I'm tryin' to fight it off but there's a mutiny below.

There were nights when I was sure your love was all I had (so b
ad)
Pining at the door you left through, God it hurt so bad,
but you're here now, you're making eyes
I'm breaking...

I finally let go
but there's a mutiny below.

"Just one more night..." you ask so tenderly - a softer side
I'd longed so long to see.
(so long...)

You slip inside, we'll work it out
tomorrow....

I finally let go (I can't live without you)
I'm tryin' to fight it off but there's a mutiny
from everything left but my soul.
I can't hang on - let me go.
