

Overdone

Ludo

I'm a snake in the grass
Watch your feet, let me pass
I'm tight, and afraid
I can't eat, I can't change

And all the little mice
Are dancing in sunlight
While I shuffle past
Just a snake in the grass

And, oh, I'm overcome
And, oh, now I am through

I am in love again
I am consumed by it
I am in love again
Under drugged, and overdone

I'm a snake on a shelf
Just a pile of myself
While the mice in the walls
Find joy in it all

But I'm bad, bred to suffer
In the dark, in this room
I'll explode, I'll escape
get me out, make it soon

And, oh...

O-oh, o-oh
I am in love again
O-oh, o-oh
I am consumed by it
O-oh, o-oh
I am in love again
Under drugged, and overdone

If there's a god that could save me
I'd ask that he open the skies and do it now
But it's just a chemical, I'm not a snake
I'm just falling apart again
Look at me, I'm sobbing like a child

O-oh, o-oh
I am in love again
O-oh, o-oh
I am consumed by it
O-oh, o-oh
I am in love again
Under drugged, and overdone

O-oh, o-oh
I am in love
O-oh, oh
