Sun falls slowly on our lonely
goodbye bedroom, you're my only.
My last night home is first-night nervous
Take me over, remember all this 'til then...

Please save this for me
I'll come back for you, love, I promise to
Please save this for me, for until I return
my love will burn and my heart will stay.
My heart will stay.

It's gone cold now, we'll sleep somehow
I'll be gone by first light, last chance, hold tight until then
...

Please save this for me
I'll come back for you, love, I promise to
Please save this for me, for until I return
my love will burn and my heart will stay.
My heart will stay.

I lie awake and memorize your face
as you sleep next to me.
The falling moon is calling me as I leave.
Sunrise slowly, the road looms lonely
but I will not fail...

Please save this for me
I'll come back for you, love, I promise to
Please save this for me, for until I return
my love will burn and my heart will stay.
My heart will stay.

My heart will stay.
