

# Love Me Or Let Me Go

Luis Fonsi

Baby why you keep me hanging  
On a thin line-taking your time  
I'd like to think that we're advancing  
But i really don't know where this will go  
Baby give me a sign throw me a line  
Show me that it's time for us

Don't keep me in the dark open up your heart  
Tell me what I need to know  
You can't make up your mind  
You keep playing for time  
Baby love me or let me go

Why keep hiding your emotions  
Just say what you mean-don't go to extremes  
All i need is your devotion faithfull and true  
As i give to yo  
You're my emotion-my salvation  
You are my everything  
Don't keep me in the dark open up your heart  
Tell me what i need to know  
You can't make up your mind  
You keep playing for time  
Baby love me or let me go  
Bridge  
Tell me what you're thinking  
What secrets do you hold inside  
Why don't you just admit it  
The love you have is hard to hide  
Love me or-let me go  
Love me or-let me go  
Love me or-let me go  
Love me or-let me go
