

Make You Feel My Love

Luka Bloom

When the rain is blowing in your face
And the whole world is on your case
I could offer you a warm embrace
To make you feel my love.

When evening shadows and the stars appear
And there is no one to dry your tears
I could hold you for a million years
To make you feel my love.

I know you haven't made your mind up yet
But I would never do you wrong
I've known it from the moment that we met
There's no doubt in my mind where you belong.

I'd go hungry, I'd go black and blue
I'd go crawling down the avenue
There's nothing that I wouldn't do
To make you feel my love.

The storms are raging on the rollin' sea
And on the ocean of regret
The winds of change are blowing wild and free
And you've seen nothing like me yet.

I could make you happy,
Make your dreams come true
There is nothing that I wouldn't do
Go to the ends of the earth for you
To make you feel my love.
