

Rainbow Warrior

Luka Bloom

Warriors of the Rainbow
Are answering the call
They go to where the dust will rise again
Dust will rise again and fall

Leave Polynesia alone
Polynesia, leave her alone
Leave Polynesia alone

Mon ami Francais
Ecoute s'il vous plait
J'apprends à parler Français pour dire
Votre bombe non merci
Votre poison non merci
Ecoute s'il vous plait

Warriors of the rainbow
Are answering the call
They go to where the dust will rise again
Dust will rise again and fall

Polynesia, leave her alone

Fernando Perreira gave his life to the sea
His spirit is calling out to you
To you and to me

Polynesia, leave her alone...
