

Criminal Mind

Lukas Graham

Years go by and I miss you,
I can't describe what you've been through,
But you're gone,
We do what we believe in,
Set a goal and stop dreaming,
I'm not saying you're wrong.

But every time you're going,
And I'm asking myself why,
Hoping, oh just hoping you won't go,
I know you're proud of me,
You're holding your head high,
It's okay, it's okay, it's okay, it's okay.

'Cause I know I'll get you back,
Oh, I know your mind is criminal,
It don't matter, no,
You're going in again,
I know I'll get you back,
Oh, I know your mind is criminal,
I got women for you man,
When you're coming out and give.

You know I could have been with you,
Been with you, done what you been through,
I had a chance to choose,
When enough's enough will you know it,
When you reach your goal will you hold it,
I'm afraid you're gonna lose.

But every time you're going,
And I'm asking myself why,
Hoping, oh just hoping you won't go,
I know you're proud of me,
You're holding your head high,
It's okay, it's okay, it's okay, it's okay.

'Cause I know I'll get you back,
Oh, I know your mind is criminal,
It don't matter, no,
I bet you're going in again,
I know I'll get you back,
Oh, I know your mind is criminal,
I got women for you man,
When you're coming out and give.

I know I'll get you back,
A criminal, a criminal
