Funeral

Lukas Graham

When it's my time, I know you'll tailor a new suit for me and buy a new tie, so I'll look this good. Boy, you were right. You said only the good ones die young Never in my life did I look this good.

Everyone welcome to my funeral Everyone I know, better be wasted You know I would pour one up 'cause the way I lived, it was amazing Uh-uh-uh All of my friends are in the room Uh-uh-uh Party for me - I'd party too.

You're all on my tap bartenders pour, all the whiskey's on me and don't be so sad Cause I lived this good we were closer now it's over Oh it doesn't mean it's closure I see you, and I love you I'll be watching out above you
