

# Hayo

Lukas Graham

I don't know what you're trying to prove  
But she obviously don't feel tied down to you  
You think she's so right, but hey we know it's so wrong  
She might be a girl but everybody knows  
They're like "Hayo she wants some"  
Everybody say "Hayo she wants some" she want's some

It might seem hard when I put it like this  
But maybe you should treat her like the five that she is  
You've got feelings involved and you're not seeing straight  
Your girl's been around that's what everybody says  
They're like "Hayo she wants some"  
Everybody's like "Hayo she wants some"

(Now, I'mma break it down for you)

I see you've got your problems and you're trying to make it through  
I can tell you everybody's got them, but not as bad as you  
"Hayo she want's some"  
And everybody's like "Hayo she want's some"

I'm sorry I'm the one to let you know what's going on  
You think that she's a keeper but you've got to pass her on  
You say you know her well, and she's just your type  
She might be good in bed, but she's not a good bite  
You see a good girl, will let them know she's got a man,  
and start to walk away if they don't really understand  
She'll be housecleaning, and cakebaking,  
and kissing you before babymaking  
Don't you know what everybody's saying 'bout that girl?

They're like "Hayo she wants some"  
Don't you know they're singing "Hayo she wants some"?  
And nothing's really sad, but you 'cause they're all singing it  
"Hayo she want's some"  
And even I'm tired of singing them lines when I see her like  
"Hayo she want's some" she want's some  
("Hayo she want's some")  
("Hayo she want's some")  
("Hayo she want's some")  
("Hayo she want's some")  
("Hayo she want's some")  
("Hayo she want's some")
