

# Nice Guy

Lukas Graham

Boy, I tried to tell you,  
But you just wouldn't hear,  
We've got the house full of ladies,  
And you're acting a queer,  
We've got your female friends,  
But you can't get anywhere.

I'll tell you one last time, boy,  
Life isn't fair, na-na-na.

If you feel ashamed,  
Step up your game,  
She's calling my name,  
'Cause she's getting bored.

She thinks you're a fool,  
For not making moves,  
It could have been you,  
Oh, so you're the nice guy?

I'm gon' get my la-le-la,  
He's gon' get some la-le-la,  
All of my boys gon' get their la-le-la,  
You won't get no na-ne-na.  
(x2)

Nice guy!

I told you many times before,  
But boy, you did it again,  
You met a hot ass girl,  
And turned her into your friend,  
You bought her drinks all night long,  
You were ready to spend,  
I brought her home that night,  
And I should thank you again,  
'Cause you're the nice guy.

If you feel ashamed,  
Step up your game,  
She's calling my name,  
'Cause she's getting bored.

She thinks you're a fool,  
For not making moves,  
It could have been you,  
Oh, so you're the nice guy?

I'm gon' get my la-le-la,  
He's gon' get some la-le-la,  
All of my boys gon' get their la-le-la,  
You won't get no na-ne-na.  
(x2)

Nice guy!

Rule number one,

Don't ever do it her way,  
'Cause if you make her do it your way,  
You might do it today.

And rule number two,  
Don't ever buy in the bar,  
'Cause if you buy in the bar,  
The next thing she wants' a car.

When you're the nice guy,  
When you're the nice guy, yeah.  
(x2)

So you're the nice guy!

I'm gon' get my la-le-la,  
He's gon' get some la-le-la,  
All of my boys gon' get their la-le-la,  
You won't get no na-ne-na.  
(x2)

So you're the nice guy!

I'm gon' get my la-le-la,  
He's gon' get some la-le-la,  
All of my boys gon' get their la-le-la,  
You won't get no na-ne-na.  
(x2)

(Yeah, you f\*ck it up for everybody else, nice guy,  
You making life a living hell for the rest of us,  
You know, being all nice to them ladies and sh\*t,  
Buying them stuff,  
You know what? You should start being a little less nice,  
Learn how to be a real man,  
When you go out you should take to the ladies,  
Be a man, don't be all nice guy,  
Don't tell me you didn't,  
'Cause I know you did!).

Nice guy
