

# What Happened to Perfect

Lukas Graham

I can see it in your eyes as I am stumbling home  
You living with the man that you no longer no  
You forgot to smile as I catch you by

Now we sitting down for dinner we got nothing to say  
It's like I am watching you slowly slipping away  
From me from me

Remember when I used to make you laugh  
And every joke was better than the last  
Tell me how to bring you back to this  
Maybe I just need to reminisce and work it out

What happened to perfect  
What happened to us  
We used to be worth it  
We never gave up  
It wasn't on purpose  
But it hurts like it was  
Nobody deserves this  
What happened to perfect

If you left me baby where would you go  
I can't imagine you ever being alone  
I am a gentleness man but I try to understand  
So many things to say I don't know where to start  
I can't pick up the pieces of a crumbling heart  
So true so true

Remember when I used to make you laugh  
And every joke was better than the last  
Tell me how to bring you back to this  
Maybe I just need to reminisce and work it out

What happened to perfect  
What happened to us  
We used to be worth it  
We never gave up  
It wasn't on purpose  
But it hurts like it was  
Nobody deserves this  
What happened to perfect  
What happened to perfect

What is under the surface  
It used to be love  
Would you call if you heard this  
Would you know it was us  
It wasn't on purpose  
But it hurts like it was  
Nobody deserves this  
What happened to perfect  
Nobody deserves this

I can see it in your eyes as I am stumbling home  
You living with a man you no longer know  
You forgot to smile
