

Apologize

Luke Bryan

I'm holding on your rope
Got me ten feet off the ground
I'm hearing what you say
But I just can't make a sound
You tell me that you need me
Then you go and cut me down but wait
You tell me that you're sorry
Didn't think I'd turn around, and say

[Chorus]
That it's too late to apologize
It's too late
I said it's too late to apologize
It's too late

I take another chance
Take a shot, take a fall for you
I need you like a heart needs a beat
But it's nothing new
I loved you with the fire red
Now it's turning blue, and you said
Sorry like the angel
Heaven let me think was you
But I'm afraid

[Chorus]

I said it's too late to apologize
It's too late
It's too late to apologize
It's too late
It's too late to apologize
It's too late
I said it's too late to apologize
It's too late

I'm holding on your rope
Got me ten feet off the ground
