Apologize

I'm holding on your rope Got me ten feet off the ground I'm hearing what you say But I just can't make a sound You tell me that you need me Then you go and cut me down but wait You tell me that you're sorry Didn't think I'd turn around, and say

[Chorus] That it's too late to apologize It's too late I said it's too late to apologize It's too late

I take another chance Take a shot, take a fall for you I need you like a heart needs a beat But it's nothing new I loved you with the fire red Now it's turning blue, and you said Sorry like the angel Heaven let me think was you But I'm afraid

[Chorus]

I said it's too late to apologize It's too late It's too late to apologize It's too late It's too late to apologize It's too late I said it's too late to apologize It's too late

I'm holding on your rope Got me ten feet off the ground
