Hundred stars hanging high, under your still tide  
Up in every move you make, baby I'm your DJ  
Your my favorite song, won't you let me sing-a-long

Sittin' right here, out here in the middle of nowhere  
I swear I've never seen, ever seen nothing like you anywhere  
I got the key turned back, windows down, I'm turning it up and  
your  
Spinnin' around, takin' a sip, swingin' your hips, girl your lo  
oking so  
Fine, with your beer in the headlights

Heart beating like a drum, call me the lucky one  
Shining these Hi-Beams on you baby, boots stirring up the dirt  
Cottonfield concert, you got the beautiful, I got the cooler fu

Sittin' right here, out here in the middle of nowhere  
I swear I've never seen, ever seen nothing like you anywhere  
I got the key turned back, windows down, I'm turning it up and  
your  
Spinnin' around, takin' a sip, swingin' your hips, girl your lo  
oking so  
Fine, with your beer in the headlights

Sittin' right here, out here in the middle of nowhere, nowhere  
I swear I've never seen, ever seen nothing like you anywhere
