

# I Don't Want This Night to End

Luke Bryan

Girl, I know I don't know you  
But your pretty little eyes so blue,  
Are pulling me in like the moon on your skin  
I'm so glad you trusted me to slide up on this dusty seat  
And let your hair down, get outta town

Got the stars comin' out over my hood  
And all I know now is it's going good

You got your hands up,  
You're rocking in my truck.  
You got the radio on,

You're singing every song.  
I'm set on cruise control.  
I'm slowing loosing hold of everything I got

You're looking so damn hot.  
And I don't know what road we're on,  
Or where we've been from starin' at you.  
Girl, all I know is I don't want this night to end.

Gonna cuss the morning when it comes  
Cause I know that the rising sun,  
Ain't no good for me

Cause you'll have to leave  
Gonna make the most of every mile  
Do anything to make your smile,  
Land on my lips

Get drunk on your kiss  
The clock on the dash says 3:35  
There's plenty of gas,

And the night's still alive.

You got your hands up,  
You're rocking in my truck.  
You got the radio on,

You're singing every song.  
I'm set on cruise control.  
I'm slowing loosing hold of everything I got

You're looking so damn hot.  
And I don't know what road we're on,  
Or where we've been from starin' at you.  
Girl, all I know is I don't want this night to end.

You got your hands up,  
You're rocking in my truck.  
You got the radio on,

You're singing every song.

I'm set on cruise control.  
I'm slowing loosing hold of everything I got

You're looking so damn hot.  
And I don't know what road we're on,  
Or where we've been from starin' at you.  
Girl, all I know is I don't want this night to end.
