

Play It Again

Luke Bryan

1. She was sittin' all alone over on the tailgate, tan legs swingin' by a
Georgia plateausa
I was lookin' for her boyfriend, thinkin', no way she ain't got one
Soon as I sat down I was fallin' in love, tryin' to pour a little sugar i
n her
Dixie cup
Talkin' over the speakers in the back of that truck, she jumped up and cu
t me off

R: She was like, oh my God, this is my song, I've been listenin' to the radi
o
all night long
Sittin' 'round waitin' for it to come on and here it is
She was like, come here boy, I wanna dance, 'fore I said a word, she was
takin' my hand
Spinnin' me around 'til it faded out, and she gave me a kiss
And she said, play it again, play it again, play it again
And I said, play it again, play it again, play it again

2. I'd have gave that DJ my last dime, if he would have played it just one m
ore time
But a little while later, we were sittin' in the drive in my truck
Before I walked her to the door, I was scannin' like a fool AM, FM, XM to
o
But I stopped real quick when I heard that groove, man, you should have s
een
her light up

R: She was like, oh my God, this is my song, we've been listenin' to the rad
io
all night long
I can't believe it came back on, but here it is
She was like, come here boy, I wanna dance, 'fore I said a word, she was
takin' my hand
Spinnin' in the headlights she gave me a goodnight kiss
And I said, play it again, play it again, play it again
And she said, play it again, play it again, play it again

*: The next Friday night we were sittin' out under the stars
You should have seen her smile when I brought out my guitar

R: She was like, oh my God, this is my song, I've been listenin' to the radi
o
all night long
Sittin' 'round waitin' for it to come on and here it is
She was like, come here boy, I wanna dance, 'fore I said a word, she was
takin' my hand
Spinnin' in the headlights she gave me a goodnight kiss
And she said, play it again, play it again, play it again
And I said, play it again, play it again, play it again

Yeah, play it again, play it again, play it again
Somebody, play it again, play it again, play it again
