

# Pray About Everything

Luke Bryan

Time is tight and money's short,

River's up and the weatherman  
He's calling for another storm  
Pressure's on, the margins thin  
Gotta figure out a fix for this awful fix I'm in  
Oh Mama, what am I gonna do  
She said, Child there's only one thing you can do

R: Don't worry 'bout nothing  
Let it go, see what tomorrow brings  
Don't worry 'bout nothing  
Pray about everything, Pray about everything

Love is blind, fate don't care  
Lose your grip  
And your balloons go sailing off into the air  
Oh Mama, what am I gonna do  
She said, Child, there's only one thing you can do

R: Don't worry...

Yeah take a walk, take a breath, oh give it all a rest  
Take a cane pole to the fishing hole and catch a couple fish  
And just like that toss'em back and make a little wish

Don't worry 'bout nothing  
Let it go, see what tomorrow brings  
Don't worry 'bout it, stress about it, fret about it  
Don't worry 'bout nothing  
Let it go, see what tomorrow brings  
Don't worry 'bout nothing  
Pray about everything, Yeah, pray about everything
