

# Shore Thing

Luke Bryan

There's a fifty-fifty chance  
That the room ain't ready  
Odds are, the cooler's too heavy,  
To tote down to the beach all by myself

I'd be willing to bet,  
By the end of the week  
I'll pass out in room 319  
And to round up all my clothes  
I might need a little help

But it's a shore thing,  
The sun will be shinning,  
On my cold drink,  
And I'll be lying  
On a miller light towel  
Havin' happy hour  
All day long in the sand

We may never sleep  
We may never leave  
Raise too much hell  
Never make bail  
But in the morning it'll be alright  
Cause it's a shore thing  
We're getting tore down tonight

I think it's safe to say  
I'll make a few new friends  
Take us out at a bar  
Throw a beer on the band  
Toss down head into a parking lot road

And I wouldn't be surprised  
If my ex shows up  
Huggin' all over some dude in his truck  
I guess down here  
That's the way things go  
But I'll be fine  
Cause all I know

It's a shore thing,  
The sun will be shinning,  
On my cold drink,  
And I'll be lying  
On a miller light towel  
Havin' happy hour  
All day long in the sand

We may never sleep  
We may never leave  
Raise too much hell  
Never make bail  
But in the morning it'll be alright  
Cause it's a shore thing  
We're getting tore down tonight
