

# That's My Kind of Night

Luke Bryan

1. I got that real good feel good stuff  
Up under the seat of my big black jacked up truck  
Rollin' on 35s, pretty girl by my side
  2. You got that sun tan skirt and boots  
Waiting on you to look my way and scoot  
Your little hot self over here, girl hand me another beer, yeah!
- R: All them other boys wanna wind you up and take you downtown  
But you look like the kind that likes to take it way out  
Out where the corn rows grow, row, row my boat  
Floatin' down the Flint River, catch us up a little catfish dinner  
Gonna sound like a winner, when I lay you down and love you right  
Yeah, that's my kind of night! (wooh, ooh-ho ho)
3. Might sit down on my diamond plate tailgate  
Put in my country rock hip-hop mixtape  
Little Conway, a little T-Pain, might just make it rain
  4. You can hang your t-shirt on a limb  
Hit that bank and we can ease on in  
Soak us up a little moonlight, you know I know what you like, yeah!

R: All them other boys wanna wind you up and take you downtown  
But you look like the kind that likes to take it way out  
Out where the corn rows grow, row, row my boat  
Floatin' down the Flint River, catch us up a little catfish dinner  
Gonna sound like a winner, when I lay you down and love you right  
Yeah, that's my kind of night!  
Yeah, that's my kind of night! (wooh, ooh-ho ho)

Em (no chord)

\*: My kind of your kind of its this kind of night

We dance in the dark and your lips land on mine (wooh, ooh-ho ho)

Gonna get our love on, (wooh, ooh-ho ho)

Time to get our buzz on

R: All them other boys wanna wind you up and take you downtown  
But you look like the kind that likes to take it way out  
Out where the corn rows grow, row, row my boat  
Floatin' down the Flint River, catch us up a little catfish dinner  
Gonna sound like a winner, when I lay you down and love you right  
Yeah, that's my kind of night! Yeah, that's my kind of night!  
Yeah, that's my kind of night! Yeah, that's my kind of night! Come on.
