

# Bad News

Luke James

I'm so lonely  
Lonely for only you  
See these stars they told me  
We run like bad news  
And when I'm all alone  
And there's no one here to do  
I have my fight,  
And you should leave  
That makes for bad news  
Trust me  
Love tells us there's no mercy, no no no  
Love tells us there's no mercy  
I want what I want  
I need what I need  
So why can't one please me!  
No no no,  
Love tells us there's no mercy  
No no no  
I'm so lonely,  
Lonely for only you  
There's a note to how you own me  
Pass me, only to be used  
When I'm all alone  
And there's no one here to do  
I have my fight,  
And you should leave  
That makes for bad news  
Trust me  
Love tells us there's no mercy, no no no  
Love tells us there's no mercy  
I want what I want  
I need what I need  
So why can't one please me!  
No no no,  
Love tells us there's no mercy  
No no no  
No no no  
No no no  
(Give it all to me, give it all to me  
Do it all for me  
Give it all to me, give it all to me  
Do it all for me)  
Love tells us there's no mercy  
No no no  
People loving you this way  
I'ma follow where you darling down  
(Get off of me, get off of me  
Do it all for me)  
You should know my mind,  
So I'll wait here  
Yeah, oh you  
(Do it all for me, do it all for me)  
Love tells us there's no mercy  
No no no  
Love tells us there's no mercy  
No no no  
I want what I want

I need what I need  
So why can't one please me!  
No no no,  
Love tells us there's no mercy  
No no no  
(Do it all for me, do it all for me  
Do it all for me, do it all for me  
Give it all to me, give it all to me)  
Love tells us there's no mercy  
No no no  
Don't I deserve it?  
Don't I deserve it!
