

I.o.u.

Luke James

Since the beginning, your love was always given
And just like my favorite wine,
It gets better after time, oh yeah
Baby I want this forever, never end
I promise that I won't stop lovin
You give me a reason to live right
Won't find nothing better in this life
And everytime I needed you
You always knew the right thing to do, oh yeah
I'll owe you forever,
I'll owe you forever

For all the love you give to me
How could I ever repay
I owe you, I owe you, forever
For all the love you give to me
How could I ever repay
I owe you, I owe you,
I owe you

Honey dipped kisses, you grant all my wishes
You rescued me in the nick of time
You saved my life Whoa 0000000

Baby ain't nobody else in my vision
Only loving you is my mission
You give me a reason to live right
Won't find nothing better in this life
And when the rain was pouring down
You came and cleared my gray clouds
Oooooh Yeah
I'll owe you forever,
I'll owe you forever

For all the love you give to me
How could I ever repay
I owe you, I owe you, forever
For all the love you give to me
How could I ever repay
I owe you, I owe you,
I owe you

I'm forever indebted
Couldn't have done it without your help
I love you and don't you forget it
Maybe even more than I love myself
Baby for everything we've been through
There's nothing that I just won't do
Cause I owe, I owe you

For all the love you give to me
How could I ever repay
I owe you, I owe you, forever
For everything you done for me
How could I ever repay
I owe you, I owe you,
I owe you.
