

# All For Nothing

Lullacry

When You Come Crawling  
Into My Dreams  
That's All I've Left  
Or So It Seems

I Can't Erase You  
From My Memory  
I Think I'm Ready  
For Eternity

'Cause Of You  
I've Cut My Wings  
Peace For Me  
It Hopefully Brings  
I'm In This Pain  
I Craved For Love In Vain

I Never Wanted To  
Burn My Bridges Down  
Gasping For Air  
I'm Left To Drown
