

## Whats That About

Lulu

you treated me like dirt  
you didn't care that it really hurt  
you acted like a fool to me

'cos you pushed me to the limit  
and my head's spinning round and round  
you deserve it  
and there's something that i found

you're a piece of dirt on my shoe  
that i really dont care about  
you're just such a pig  
i can even see your snout  
treating me nicely  
is something that i really doubt  
cos i hate u , i hate u , whats that about

you're stepping on thin ice  
i dont have 2 tell u twice  
just get out that door tonight

'cos u pushed me to the limit  
and my heads spinning round and round  
u deserve it  
and theres something that i found

'cos u pushed me 2 the limit  
and my heads spinning round and round  
u deserve it  
and theres something that i found

p.s. by the way , i made up the song myself and i have a tune f  
or it!
