

# Break Away

Lumidee

I had to break away from you (From you)  
And try to get used to me  
Bein' alone is so brand new  
I never felt so free  
Can life allow  
The fact that you're no  
Longer thought of  
It's honesty.

Open a book, a picture's there  
Of us when times were fair  
Happiness was always so scared  
To reach us in our pair  
You left me there  
Goin' nowhere  
Of pain I was aware  
'Cause it's you that had me there.

Chorus x2  
I made up my mind so let me go  
I just wanna let you know  
This time I know that it's for real  
I know in my heart that's how I feel.

I can't believe how you had me  
So confused and weak  
Alone and strong, I can go on  
to understand my needs  
Only in your dreams  
Me and you  
Could ever be  
It's honesty.

Half the time I was blind (was blind)  
And I just could not see  
All the damage that you did  
You did do to me  
I held it in  
It's released  
I was my own  
My own therapy.

Chorus x2

Bridge  
I'm gone  
You need to just move on  
How could you not see  
We weren't meant to be.  
I'm gone  
You need to just move on  
You and me no more  
I'm sorry, it's over.

Chorus x2

I'm gone.
