

## Go with Me

Lumidee

Won't you go with me, I could take you places you wanna be ,I could take you there, take you every where, once you show me baby that you not scared, I could take you there.

I swear you had me opened  
till the point of no return  
you thought I would've learn from the broken hearts that burn but this was different I didnt throw myself to fast cause usually with that shit you know it'll never last, see I'm a lady, so I present myself with class I see my time, dont wanna get dipped and dashed, remember me boo I used to row with naughty crew and had that attitude like, We'll body you, I was a baby than now I'm your lady frined, I wanna show you the new ways that I presence, see everything I hold don't show but if you wanna know than baby we could roll I'll show you all my different floats, see I'm about this game, that's rising me to fame, and yet I choose you cause I don't really fuck with lames , Love to be your only dame and no matter what you see you never switch in lanes, who knows where this could go if you do feel the same. (Feel the same) (Feel the same)

Won't you go with me, I could take you places you wanna be ,I could take you there, take you every where, once you show me baby that you not scared, I could take you there.

mm, mm, mm Baby girl the best thing is just to let your feeling s go, I wanna get to know you intellectually or maybe even sexually. Types of dreams but never came true look all you gott a do is open up boo and show me is you, you wanna be lonely and blue forget about a homie or two, Is only a few that could vibe with you, you see me I'm like a theif at the night I run the streets in the night and you, you like to stay home, but me I'm at the zone. Look trying to figure out, ma, what is all about huh, I'm still a cabron , I put that on my own look you could hold me down ma, I take you out of town I got chickz for that,SO you could be the one that has my only son, that grows to be a man, I put that on my right hand, I hope you understand, I'ma holla at you later girl, I promise you would great the world, now take ie home and think about it.

Won't you go with me, I could take you places you wanna be ,I could take you there, take you every where, once you show me baby that you not scared, I could take you there.

SO you never had a girl that's a precious as a pearl and at the same time whylin out against the world sexy and tough, yeah, I got that stuff yeah, you stick around long enough, would you see what's up, yeah, you gots to tell me soemthing

about you, cause I'm hanging around here all on a good view, like can you be true blue your words you stick too, would you be the type to make me catch a quick flu, and if you catch a case I feel like sticking it through, are you the kinda guy that's gonna take it through, are you the kinda guy that's gonna take me high and have me saying word like love and never lie, don't let that pass relation bullshit get in my eyes, you thinking we could rise, than baby we could rise and if you having worries push it all aside and if at the end it works out is all because we tried and if you looking for love, you know with me you find

Won't you go with me, I could take you places you wanna be ,I could take you there, take you every where, once you show me baby that you not scared, I could take you there.
