

Only for Your Good

Lumidee

Dont let it change the good in us, its all i trust, it means so much

Cause im over heels with the way i feel, wouldnt let a thing come between whats real, yes you are my everything, i swear your my wakeing dreams, tell you in desires i see something else like when im not well yes you are my health, i'll tell you one thing that, all you's my every bet

Dont let it change the good in us, its all i trust it means so much

We have things that's new dont mean me and you has to clear and true thats the way we do, cant be apart from you, it would break my heart in two, so im lovein you baby all the way, and there aint a thing that could eva fade, telling you, seconde that, with you there's no regret.

Dont let it change the good in us, its all i trust it means so much

Lets not get mis understood, i tell you only for your good, with so much and more you loose, i tell you only for your good, lets not get mis understood, i tell you only for your good, with so much and more you loose, i tell you only for your good

Dont let it change the good in us, its all i trust it means so much
