

# So Cool... Hollywood

Lumidee

Uh. Uh, uh, uh.

So you thought you owned me, huh, tried to control me.  
Almost let you mold me, but found you you was phony.  
Had to learn the hard way, I guess that's how the cards play.  
Ain't no love lost, now step to the boss.

Call me Hollywood (It's what you wanna say)  
Call me Hollywood (Go ahead and play your game)  
Call me Hollywood (Say what you wanna say)  
Call me Hollywood (I'm, I'm so cool)

Since the time that I first lefted you  
Sit back and have any regrets cause I  
Think that that you would if you were who I thought I knew.

(I'm, I'm so cool)  
But I'm so cool. How about you?  
What I went through, I wondered if you felt it to.  
(I'm, I'm so cool)

Call me Hollywood (It's what you wanna say)  
Call me Hollywood (Go ahead and play your game)  
Call me Hollywood (Say what you wanna say)  
Call me Hollywood (I'm, I'm so cool)

For everything you said about me  
I wondered how would you ever doubt me  
Did you think that I would crumble without you?

(I'm, I'm so cool)  
Oh no not true. 'Cause I'm so cool.  
I hope that you sincerely understood my view.  
(I'm, I'm so cool)

Call me Hollywood (It's what you wanna say)  
Call me Hollywood (Go ahead and play your game)  
Call me Hollywood (Say what you wanna say)  
Call me Hollywood (I'm, I'm so cool)

Call me Hollywood (It's what you wanna say)  
Call me Hollywood (Go ahead and play your game)  
Call me Hollywood (Say what you wanna say)  
Call me Hollywood (I'm, I'm so cool)

Inquiring minds, want to know  
Was there something in your heart that made you stoop so low?  
Inquiring minds, want to know  
What was it you was on, that made you stunt your growth?

La la la, la la la la.  
La la la, la la la la.  
Call me Hollywood.  
Look, it's all good.  
(I'm, I'm so cool)

Call me Hollywood (It's what you wanna say)

Call me Hollywood (Go ahead and play your game)  
Call me Hollywood (Say what you wanna say)  
Call me Hollywood (I'm, I'm so cool)
