LUNA SEA

Filling me up with the shivers and quivers
Their symmetry symmetry gets right inside me

Ana no aita sora ga omou mitomerareta tsumi wo
Sono kabe ga kuchizusamu omokage ni nita

Yume no nakamade kari no kokoro? oimotomete mayoikomu
Yume no nakamade tojita hitomi? kono kanashimiwa?

I ever wanted a little clue.
I ever wanted the truth.

Furetakoto no nai utsukushisa mimamoru kaori
Garandou no atama no naka tachidomaru kaze ga

Yume no nakamade kari no kokoro? oimotomete mayoikomu
Yume no nakamade tojita hitomi? kono kanashimiwa?

...But we never do score

Yumeno nakamade karino kokoro? oimotomete mayoikomu
Yumeno nakamade tojita hitomi? sono kotaewa?
