

# Bewitched

Luna

All of a sudden  
The girl of my dreams  
She never asks  
She always screams  
Do you see her face  
In a puddle at my feet  
As I bend down  
To kiss the street

And I'll come runnin' to her  
And I'll come runnin' to her

Her sleep is troubled  
Her face will twitch  
She wakes up angry  
And I'm bewitched  
Her smile is forced  
She's always late  
But she's not sorry  
And I capitulate

And I'll come runnin' to her  
And I'll come runnin' to her

All of a sudden  
The girl of my dreams  
She never asks  
She always screams
