

Freakin' And Peakin'

Luna

Give me an answer
Wrap it up
Up to the top and back
Freakin' and peakin'
Loosin' touch
Can't tell the wrong from wright

Out on the streets
Sugar in the streets
Thinkin' we'd talk without speakin'
She was pointing at me
But I was pointing at you
Can't tell the wrong from wright

Gotta keep movin'
Movin' on
Before it gets too much
She was pointing at me
But I was pointing at you
Can't tell the wrong from wright
