

# Goodbye

Luna

Goodbye baby  
Bye bye honey  
Goodbye baby  
Bye bye

Three years in this town  
And I want to leave town  
The clubs have all shut down  
And I have been dressed down

Goodbye baby  
Bye bye honey  
Goodbye baby  
Bye bye

I'm leaving tonight  
And I'm driving all night  
You know I been thinking  
The city is shrinking
