Lost In Space

It's true You're lazy You're tired And crazy And you know there's something more But you can't give it a name Someone's selling all your heroes And they seem so tame

You heard it all before And said your case was tragic You heard it all before And now they say it's magic

You need Time off For good Behavior And you know there's something else But you can't give a name Someone's selling all your heroes And it seems such a shameD

You heard it all before You said your case was tragic You heard it all before And now they say it's magic

You heard it all before They said your case was tragic You heard it all before And now they say it's magic
