

Sucking Ice Cubes

Luna

Sitting in your kitchen
Sucking ice cubes
Thinking we all understand
Thinking we all understand
Sitting in your kitchen
Sucking ice cubes
When it all comes rushing back
When it all comes rushing back
Remember, remember, remember
Rolling on the carpet
And pretending
Wishing we could get away
Wishing we could get away
Standing in you closet
And remembering
And it all comes rushing back
And it all comes rushing back
Remember, remember, remember
