

# Nowhere Fast

Lunachicks

Get in!  
Let's go!  
We've still got such a long way to go  
We got a ten hour drive  
And a half tank of gas  
We got seven people stuffed  
In the back of the van  
We wonder why we do it  
Well it's just cuz we haven't got a better plan

What can you do  
When you got nothing to lose?  
I'm tellin' you  
I do what I wanna do  
I always knew  
I won't stop until I'm through!

I give  
What do I get?  
Well I guess I really don't know yet  
We've seen every floor  
Of every motel six  
We got dirty clothes and lost guitars  
And we're all sick  
It's a small price to pay  
And we pay it every single day

What can you do  
When you got nothing to lose?  
I'm tellin' you  
I do what I wanna do  
I always knew  
I won't stop until I'm through!

Pack my bags into the van  
Write set lists put make up on  
Now it's time to get what's comin' to me, me, me!

No more workin' for the man  
Quit my job and grabbed my wig  
Hit the stage and rip this town  
And I'm gone, gone, gone  
Go!

What can you do  
When you got nothing to lose?  
I'm tellin' you  
I won't stop until I'm through  
I'm tellin' you  
I do what I wanna do  
I always knew  
I can't stop until I'm through!
