

Say What You Mean

Lunachicks

I'm not so I don't
I can't so I won't
I could but I shouldn't
But I can't so I wouldn't

I might but I can't
I've got so I don't
I would but I shouldn't
But I not so sure I couldn't

Say what you mean
Mean what you say
Don't say it mean
Say what you say what you say what you mean!

I can't go on like this
I didn't understand a word you said
You didn't mean to not to
But you didn't cuz you couldn't
But you would've if you could've
And you might but you wouldn't

Say what you mean
Mean what you say
Don't say it mean
Say what you say what you say what you mean!

For today will soon be yesterday
Tomorrow will be today
And I'm waiting every day
For you to

Say what you mean
Mean what you say
Don't say it mean
Say what you say what you say what you mean!

Will you say what you mean?
Will you mean what you say?

You try to tell me but I don't quite understand
What you think how you feel where you stand
You open up your mouth and then you start to quit
Why don't you just come out and say it!?!

Say what you mean
Mean what you say
Don't say it mean
Say what you say what you say what you mean!
