

## Sugar Luv

Lunachicks

Oh baby, made of confection  
Please, give me some of your affection  
You taste so nice, you can't go sour  
I love you, lick you by the hour

Sugar luv

Oh honey, you're so sweet  
I just got to have some of that candy meat  
Hey little lover, you feel so good  
Hold me all night, I know you could!

Sugar fuckin' luv

Love me all the time, I'll be your slave  
Huggin' and a kissin', rockin' to your grave  
'Cause in the night I dream of you  
I think of all the groovy lovin' we can do
