

Yeah

Lunachicks

Yeah!!!

If you wanna watch a movie,
And eat some popcorn,
I'll say yeah yeah yeah yeah!!
If you wanna go for a ride,
I love to go real fast, oh,
I like it sour
I like it sweet
I like it hot, I like it cold
I like it new, I like it old
I like it inside, I like it in the street
And if you wanna just hang out,
And if you wanna dance inside,
And if you wanna do somethin
And if you wanna just say yeah just say yeah
just say yeah just say yeah.
Yeah!

If you wanna eat some candy,
Well I got plenty right here, yeah!
I like it sour
I like it sweet
I like it hot, I like it cold
I like it new, I like it old
I like it inside, I like it in the street
And if you wanna just hang out,
And if you wanna dance inside,
And if you wanna do somethin
Or if you wanna do nothin,
And if you wanna be happy,
And if you wanna just say yeah just say yeah
just say yeah just say yeah.
