Leave You Far Behind

Lunatic Calm

I wanna take you on a roller coaster I wanna tell you that I'm feeling closer I wanna push it right over the line (2x) The line that you draw as you draw me near(2x) I want(5x), I wanna leave you far behind... I wanna you on a roller coaster I wanna tell you that I'm feeling closer I wanna push it right over the line I wanna push it right over the line The line that you draw as you draw me near The line that you draw as you draw me near I want (8x) I wanna leave you far behind I want (8x) I wanna leave you far behind I wanna take you on a roller coaster I wanna tell you that I'm feeling closer I wanna push it right over the line I wanna push it right over the line The line that you draw as you draw me near The line that you draw as you draw me near I want (8x) I wanna leave you far behind I want (8x) I wanna feel the silverstar I wanna feel the silverstar I wanna leave you far behind I wanna feel the silverstar I wanna leave you far behind Feel this Feel this I wanna leave you I wanna leave you far behind I want (8x) I wanna leave you fore
