The Search Goes On  
Two years ago, Atlantis was developed  
This is history  
Then my search continuous  
The search of a book  
A book called "Fables and Dreams"  
This book was born in Heaven  
A long time ago  
In protecting all of our dreams, stories and hopes  
Now it's time to open this book  
It's time for the first chapter of "Fables and Dreams"
