

Baba Says Cool for Thought

Lupe Fiasco

They thought it was cool to burn crosses in your front lawn as
they hung you from trees in
Your backyard.
They thought it was cool to leave you thirsty and strand katrin
a.
He thought it was cool to carry a gun in his classroom and open
fire, virginia tech columbine,
Stop the violence.
They thought it was cool to tare down the projects and put up m
illion dollar condos,
Gentrification.
They think its cool to stand on the block hiding products in th
eir socks making quick dime bag
Dollars.
They think its cool to to ride down on you in blue and white un
marked cars, bustin you upside
Yo head.
Freeze....cause the problem is we think its cool too.
Check your ingredients, before you overdose, on the cool.
