## **Go Go Gadget Flow**

Potent to get you open

## Lupe Fiasco

I'm from the city in the Midwest best city in the whole wide world (say it now) I'm from the city in the Midwest best city in the whole wide world (say it now) I'm from the city in the Midwest best city in the whole wide world (hey City in the whole wide world (hey) City in the whole wide world (hey) I got my go go go go go go go go go gadget flow I got my go go go go go go go go go gadget flow I got my go go go go go go go go go gadget flow I got my go go go go go go go go go gadget flow I'm back I'm back I'm cool I'm cool It's our identity All me No ghost no 16 bit like Sega genesis All g ball on the ball soundtrack on the track Gemini on the job Shayla g on the g Sarah green for the green free chilly And I'm back on my thing for the listeners What you are about to to witness is Lu new valuable album 2 Get ready for the ghetto ghetto images From the m-a-d-i to the s to the o-n Potent to get you open Move like a nigga supposed to Get your dough on the go with the flow That I'm holding I'm on my go go go go go go go go go gadget flow I got my go go go go go go go gadget flow I got my go go go go go go go gadget flow I got my go go go go go go go gadget flow Love, got the windy city on my back So I'm back on my grizzle like a bearskin rug Put some lain on the floor blame it on the goat Little rapper turn it out cause I'm very pluh I convert I can work anywhere any word you can ask my brother huh He'll concur that I'm sers with the worst with the man up above thank you ve ry much That I got what I got and I'm at where I'm at like an a in a circle with a p ay little erkel What they say when they see og from the f to the f to the amazing verbals They race in circles like they raisin a gerbil I race in a circle like I'm raisin a horse I'm racing a Porsche while they racing in place They race in a cage I race on a course COURSE That case in the court did not defer the dream I am still a raisin in the sun raging against the machine From the m-a-d-i to the s to the o-n

Move like a nigga supposed to Get your dough on the go with the flow That I'm holding I'm on my go go go go go go go go gadget flow I got my go go go go go go go go gadget flow I got my go go go go go go go gadget flow I got my go go go go go go go gadget flow I'm from the city in the Midwest best city in the whole wide wide world (say it now) I'm from the city in the Midwest best city in the whole wide wide world (say it now) I'm from the city in the Midwest best city in the whole wide world (say it now)

City in the whole wide world (hey) City in the whole wide world (hey)

Hey hey don't hate on me My tank on full your tank on e Look good on you look good on me Cause I'm a go and never gonna s-t-o-p Like hey hey don't hate on me My tank on full your tank on e Look good on you look great on me Cause I'm a go and never gonna s-t-o-p

Like hey hey I'm the boss Rock genuine time not de lacoste be on clean and phenom jeans Little rap is like azemof I let my momma into rhyming and she raised me off A 80s baby on file like a safety off Got my hood riding high on 28s Off of everything that's gonna be like a 84 And they in love with him and I'm in love with them And we never ride dubs again No we won't Tryna get above the rim A little too short to dunk So we donk From the m-a-d-i to the s to the o-n Potent to get you open Move like a nigga supposed to Get your dough on the go with the flow

I'm on my go gadget flow I got my go go go go go go go go gadget flow I got my go go go go go go go gadget flow I got my go go go go go go go gadget flow

I'm from the city in the Midwest best city in the whole wide wide world (say it now) I'm from the city in the Midwest best city in the whole wide wide world (say it now) I'm from the city in the Midwest best city in the whole wide wide world (hey) City in the whole wide world (hey) City in the whole wide world (hey) I'm from the city in the Midwest best city in the whole wide wide world (say it now) I'm from the city in the Midwest best city in the whole wide wide world (say it now) I'm from the city in the Midwest best city in the whole wide world (hey) ) City in the whole wide world (hey) City in the whole wide world
