

hey if you are my fallen star
i'm afraid that will go to far
??cross and loss??? is in my thing sweet thing
can we just slow down

??? can read your mind
can you read mine
there it goes in double time
i can read your mind
can you read mine
there it goes in double time
fall and fall if we don't stall
see enough we'll see it all

when do i end where do you begin
they say i should be strong enough
just to let the good things in
so here we are nobody's pure so far
that guy says he is
but he still drives a car

be kind you'll find
it's yours
be kind
be sure
you'll find
it's yours
