

## Deep Shag

Luscious Jackson

I feel small when i am next to you  
I feel big when i forget you  
Why do you make me feel so small?

I'm draggin in your deep shag  
What I become,What i become  
I'm in your deep shag  
Stuck in rags  
What I become,what I become

Believe me I am teething when my eyes are full of feeling  
I forget my personality  
My hellraising days  
They seem so sweet  
And I'm always telling you  
Lies to hide the truth inside  
The poems I become  
The minute I succumb to your embrace
