

Fantastic Fabulous

Luscious Jackson

I believe you believe in the myth of yourself
I believe you believe you couldn't be anywhere else
And you're fabulous, so fabulous
You're so fantastic darlin'
I wouldn't want anyone else

Fantastic Fabulous
You look so wonderful
Fantastic Fabulous and
completely out of your mind

Getting thin like your twin on the scene
it's a factory
makin' up all the friends that you have
for the friends you need
and you're fabulous, so fabulous
your so fantastic darlin'
I wouldn't want anyone else.
