

Here

Luscious Jackson

Please die for me
Yeah yeah
Please die for me
Yeah yeah
Yeah yeah ow
Hold this for me
Hown here
Here i come
You can't stop me now
I will be the one
Who keeps you around
Yeah yeah ow
Peace and loving everywhere

Get on the floor
Let's dance some more

When they tell me
That i got that homeless look
Yeah yeah
I think of warm air you bring

Here i come you can't stop
Me now
I will be the one
Who keeps you around
Yeah yeah ow
Asphyxiation driven

Get on the floor
Let's dance some more
Get on the floor yeah

Here i come you can't stop
Me now

hold this for me down here
yeah yeah ow peace and loving
everywhere
here i come you can't stop
me now i will be the one
who keeps you around
yeah yeah ow

get on the floor
let's dance some more
