

Is this the last time, I don't know?  
Feeling so tired  
My patience wearing thin

Oh what to do?  
Waters can run deep  
We used to have a good time  
But I don't know 'bout now

It's real but so lame  
It's real but so lame

Tinkling, soothing, come deeper in to seep  
You're so much harder when you weren't so cheap

I'm such a drag  
I'm such a brat

Can i just be someone  
Or can i be ignored?

It's real but so lame  
It's real but so lame

Just one day, to get away  
Would be so right  
Just one time, would be so right

To just be told, it all seems so ordinary  
So inconsequential anyway  
Is this the last time? I don't know?

Is this the last time, I don't know?  
We used to have a good time  
But i don't know 'bout now

It's real but so lame  
It's real but so lame
