

Walking at midnight  
In the darkness, alone  
Standing in the shadows  
And I'm watching your glow

Standing in the red light  
And I'm smiling at you  
Dreaming of the starlight  
Just waiting for you

I'll do anything to  
Make you mine, make me shine  
Take me if you want me  
I don't care, I don't mind

I want your starlight  
Make it mine, make me shine  
Touch me with your light  
And I'll burn like a star
