## The Invisible Man

Outside you are Waiting for me, hiding You catch me when I am Needing a friend to hold

You can soothe me Lie above me, press hard Then you strike and I think That I'll die 'cause I can't breathe, can't breathe

Please let me start screaming Please let me start screaming Please let me start screaming Please let me start screaming

Please let me start screaming Eyes are open seeing nothing Hands are tied and I can't function Please let me start screaming

Please let me start screaming Please let me start screaming Please let me start screaming Please let me start screaming
