

Feelin' So Good

Luther Allison

You know last night
I was laying down
And I heard mama and papa talkin'
And I heard mama tell papa, let that boy boggie woogie
And that boy they were talkin' 'bout you know, was me
I was listening in on the conversation see
Looking out the window in Paris, you know, looking at
the Eiffel Tower
But it made me feel good so I said to myself

Wellllllllllllllllllllllll I feel so good
Wanna boggie, wanna boogie, wanna boogie with my baby

Lord have mercy

Well mama told papa
Now son what you heard
You know I wanna boogie
Like a me and you
Wanna boggie, alright
Wanna boggie, wanna boggie to the break of day

Oh have mercy lets boogie one time

Ohhh boy
All we gotta do is say with the band

Well old folks boogie, the young one too
You know I wanna boogie
Like a me and you
I wanna boogie alright
Wannna boggie, wanna boogie

Ohh boy
Feels alright
Feels alright this morning

Come on now, lord come on

Feels alright this morning
Feels like boggie
Feels like cryyyyyyyyyy
Come on
Come on bay
Come on baby
Come on bay
Come on baby
